

Nomen _____ Score /17

ID nouns 3

Identify to which case the noun should belong (imagining they are in Latin, of course). Circle any clue words you may find.

1. I don't care to hear anything more from you about my children.
2. I'm ready to communicate with you now.
3. You have to put your weapons down or I'll attack him with this deadly jelly baby.
4. Something is rotten in the state of Denmark.
5. I want to eat drums!
6. I'll get a balloon for you.
7. Would you say that I have a plethora of piñatas?
8. You killed the invisible swordsman!
9. You're really stupid if you get hit by a car after the apocalypse.
10. It's a cup of dirt.
11. This is an example when parents should have crushed their child's dream to be a film maker.
12. The attack comes from the side, from the two velociraptors you didn't know were there.
13. The force is strong with this one.
14. Santa Claus is coming to town!
15. His Mickey Mouse gloves give him incredible power.
16. Tonight, in the dark of night, after night has shrouded my dark plan in its nightly darkness, I will exact my revenge!
17. Oh, don't worry about Halloween. The pixies won't be out till after midnight.
